MEMORANDUM FOR THE RECORD

SUBJECT: Case 32254 - Fred Z. Launags

1. [ ] called on 15 Nov 66 to advise us that he has had some success in placing Fred Launags in a job. Launags has been accepted to work as a bookkeeper at the Arthur San Filippo & Co., Certified Public Accountants, 233 Broadway, New York, NY, 10007 -- tel. EBekman 3-0795. He has been offered the job for \$80.00 a week and they are going to send him to school nights to acquire and improve his knowledge of accounting and bookkeeping. He is due to start working on 21 Nov 66.

2. [ ] said that the firm is owned and operated by his [ ] secretary's husband. Because of this close relationship with the firm [ ] said he would be able to monitor Launags progress with the firm -- by the same token [ ] would be the first to be informed if Launags "goofs up and gets fired" -- again. [ ] is optimistic and hopes that Fred will hold on to this job -- for a while, at least. [ ] was told that during the interview for this job Launags expressed his preference to work as a librarian rather than as a bookkeeper -- this is so typical of Launags to almost foul things up for himself.

3. I conveyed my gratitude and appreciation to [ ] for his efforts and asked that he keep us advised.
